CHARACTERISTICS: Professional office building located in Wetumpka on a quiet street with other professional offices. The building consists of many individual offices, some executive offices, break rooms, several restrooms and a work area. It has two front entrances and two rear entrances. There's an additional 1,273 SF house behind the office building that could be used for storage or rented as a residence. Plenty of parking.

COMMENTS: This is a great price point for an office building in Montgomery Metro area. The building is very functional for many office users and could be converted to other uses.
